

Results Coaching Program

The Results Coaching Program is a comprehensive and strategic 3 month coaching partnership between the client and coach that help the client meet or and exceed his/her goals. CJ Gross uses a multi-fusion approach to problem solving that includes Keirsey Temperament theory, Social + Emotional Intelligence, goal feasibility studies, and Neuro-linguistic programming (NLP) to leverage resources and create momentum. CJ is a published author, business owner, coach, trainer, speaker. CJ uses all of his 12 years of personal development experience to inspire, motivate, and encourage his clients to break through their limiting believes and live in their highest self and embrace success.
